

## HAMSTERS: Did you know?

Guidelines: In the word search grid, the **bold underlined words** from the text below are hidden horizontally, vertically, diagonally, forward, or backward. Words always form a straight line, with no letters skipped. Words do not overlap, but they can share a letter.

Did you know that **hamsters** are **nocturnal creatures**?

Did you know that hamsters' **teeth** never stop **growing**?

Did you know that smell is hamsters one of the most **important senses**?

Did you know that hamsters have a **habit of hoarding food**?

Did you know that there are **approximately 20 species** of hamsters?

Did you know that hamsters are **intelligent** creatures who can **learn** their **name**?

A 15x12 grid of letters for a word search. The letters are arranged in 15 rows and 12 columns. A large, faint watermark is centered over the grid, featuring a crown and the text "WORDSEARCH MASTER".
